## ABOUT US

Power Point Electricals Limited, is a wholly Zambian youth-owned Company, which was established and registered in September 2021 and was incorporated in the same year. The company was registered with the mission of supplying and installing various types of electrical equipment as well as providing maintenance services. The company takes pride in meeting customer needs by providing competent advise and completing projects on schedule and within budget.

We plan to spend significantly in the company's infrastructure, skills knowledge, and human resources to support our national and international expansion goals. This will allow us to improve our service delivery skills and expand our reach into new local and international markets.

The company's entire strategy is built on continuous process improvement in terms of setting goals, measuring results, and providing feedback in order to support future growth and success.

Power Point Electricals Limited specializes in projects, such as electrical equipment repair, supply, and installation for residential, industrial, commercial and development of smart energy systems.

# YOUR PRIMARY BUSINESS FOR INNOVATIVE SOLUTIONS

## ■ VISION

Our vision is to provide the highest quality products and services at a reasonable cost, with a team of skilled, experienced, committed, dedicated, and well-organized employees.

## ■ MISSION

Our mission is to be the leading electrical contractor by offering professional and high-quality services. Power Point is devoted to completing projects on schedule and maintains a high level of integrity in all project time lines and quality promises.

## ■ OBJECTIVES

**RE: RECOMMENDATION -POWER POINT ELECTRICALS LIMITED**

Reference is made to the above subject matter.

In the quest to promote renewable energy and carbon free mobility systems, the Ministry of Energy (MOE) supports companies that are aligned to the agenda.

In this regard, the MOE is recommending Power Point Electricals Limited for your consideration to allow them be a part of your energy technology advancement and investments, and also carry out feasibility studies of electric vehicle charging systems installation on your infrastructure. The MOE believes that as a wholly Zambian owned company, Power Point Electricals Limited is well positioned to make an impact and assure the energy technology vision of your institution and Zambia at large.

Kindly accord them the necessary cooperation.
