► COMPANY VISION

Robuild Construction limited strives to be the leader in construction industry in Zambia through the provision of quality service at affordable price thereby making the clients get real value for their money. With our full expansion potential, the company's focus is to add value to the Zambian economy by creating more job opportunities in the construction sector.

► COMPANY MISSION

The company mission statement is to bring new innovations in the construction sector by ensuring that the clients are satisfied through quality construction works. Our mission statement can be summarized as, "quality services and customer satisfaction beyond borders is our priority."

► CORE VALUES

The company's core values can be outlined as follows:

- 
- To deliver on our commitment by doing excellent work for the clients
 - To develop our employees with technical knowledge on various aspects of service delivery in the construction sector.
 - To promote team spirit among our staff in achieving the organizational goals.
 - To treat customers with utmost respect. This is important because the customer is king of the business.
 - To grow the business with creativity by embracing new technology in the construction sector.
 - To increase the company assets through investment. Ultimately, this will lead to delivering of quality work to the clients.
 - To provide technical advice to the clients when needed in the course of undertaking the construction works.

► COMPANY STRATEGY

Our company strategy can be broken down into the following five key components;

- (a) To increase profitability through relocation of capital towards opportunities that give consistent and high returns
- (b) To build partnership with customers and suppliers.
- (c) To strengthen our leadership competence in the construction sector in dealing with clients.
- (d) To continue investing in meaningful world class innovations in the construction sector.
- (e) To drive productivity through business transformation and operation excellency

► CLIENTS

Our clients are drawn from both the public sector and the private sector. To harmonise relationship with clients, we always ensure that their demand is met within the given time frame of the work being undertaken. This is done by applying the concept the JIT (Just In Time). This is where the work is done within the given time provided all logistics are in place.

► WORKS / PROJECTS UNDERTAKEN

Our company despite being new on the market, it has undertaken some construction works which are depicted in the following pictures;

► MANAGEMENT TEAM

Robuild Construction Limited has a very experienced and well qualified management team. The team is always ready to provide professional advice to the employees so that the clients are served in an efficient manner. However, the management team works with all the company employees so as to achieve a common goal.

► KEY PERSONNEL
