ORGANISATION CHART

Vision

Our vision at rndbrand is to grow and dominate the construction industry by providing Timely Cost effective and Quality services Countrywide and Beyond

Mission

Mission 1

Striving to provide high quality services to our customers with the support from our motivated and professionally qualified staff.

Mission 2

Providing the industry with solution to enhance efficiency and improve productivity

Quality Management and Assurance

At RNDBRAND we strive to be recognised as a leading provider of sustainable and value adding engineering solutions in Zambia to “Enhance the Quality of Life” of the people we serve.

To this end we will:

Grow the company in a sustainable manner.

Engage with our clients and all company stakeholders to remain relevant to their needs and aspirations.

Manage our business with integrity and in compliance with the requirements of the country in which we operate.

Invest in the development of our employees and the communities we serve.

Be mindful of the sensitivity of the natural environment.

Provide appropriate engineering solutions.

Quality and innovation are the drivers of our company. We rigorously monitor, evaluate and continually improve our performance and effectiveness in order to enhance the quality of life of the people we serve.

The following are some of the inhouse tests which we carry out on the projects for quality assurance to our client:

Destructive and non-destructive concrete testing

On site water testing using a porter lab
