BRIEF HISTORY

Officially established in 2024, Sallianz Trading Limited is a company fully owned by indigenous Zambians and is incorporated under the Zambian Companies Act No. 10 of 2017. The firm's main activities are Mechanical Repair & Maintenance, Civil & Construction Engineering, Engineering Design & Services, Heavy Equipment Repair & Maintenance, Electrical Repair & Maintenance, Instrumentation, Automation & Process Control. Sallianz Trading Limited is managed by a highly competent management team. The company currently has self-motivated management staff with experience and a varied number of skilled engineers and non-skilled staff. At Sallianz Trading Limited, we understand the complexities and challenges that come with managing large-scale engineering projects. We are dedicated in delivering top-notch mechanical repair and maintenance services, ensuring your equipment runs smoothly and efficiently. We work closely with our clients to accurately interpret their dreams/ visions in drawings and bring them to the desired reality through construction and engineering solutions to meet their needs; We communicate with our clients throughout the process to keep them informed of progress and to ensure that our project keeps on schedule and within budget.

OUR MISSION

To be a pivot of engineering solutions.

OUR VISION

A better and simple world where people solve problems in simple way.

OUR PHILOSOPHY

Our customers are at the heart of every decision we make. We thrive to exceed their expectations at every turn and create a culture of problem solving.

OUR CORE VALUES

Sallianz Trading Limited has identified values which will act as its guiding principles in the implementation of her vision and mission statements. These values are the Company's ethical, behavioral and socially responsible decision making guidelines. These include; Accountability and transparency, honesty, Quality, high level of integrity and respect for society.

Quality- we are committed to providing the highest quality services and products to our clients and to add value to investment through our end-to-end engineering processes and systems.

Values- we treat our client's business as our business by providing value for money and obtaining the most competitive pricing.

Integrity- we are transparent and honest in all our business to ensure we build trust and long-term relationship with our clients.

Innovation- we aspire to continuously provide our client with improved, innovative and effective solutions.

WHY CHOOSE US

As part of your procurement process, you may be assessing more than one supplier or contact. Naturally, we hope you choose Sallianz Trading Limited. With Sallianz Trading you are assured of quality infrastructure and project delivery at a competitive price. Customer satisfaction is at the heart of everything we do. Our ultimate goal is to provide quality engineering and construction services that are perfect for your project needs. As such, we keep up to date with the latest technology and invest in state of work delivery allowing us to provide the best possible services. Let us put your mechanical and construction concerns to rest with our experienced team and personalized approach to service, taking care of your building and renovations projects with a simple and hassle-free experience.

Experience

Each staff in our team has 12+ years of experience in the construction, Mechanical and Civil engineering industry, having a proven track record of delivering excellent project delivery to our clients.

Competitive Pricing

We offer competitive pricing for all of our services, and we are always looking for ways to help our clients save money on their civil engineering and construction costs.

Reliability

We understand the importance of timely, excellent and accurate project delivery, and we always strive to meet or exceed our clients' expectations.

Exceptional Communication

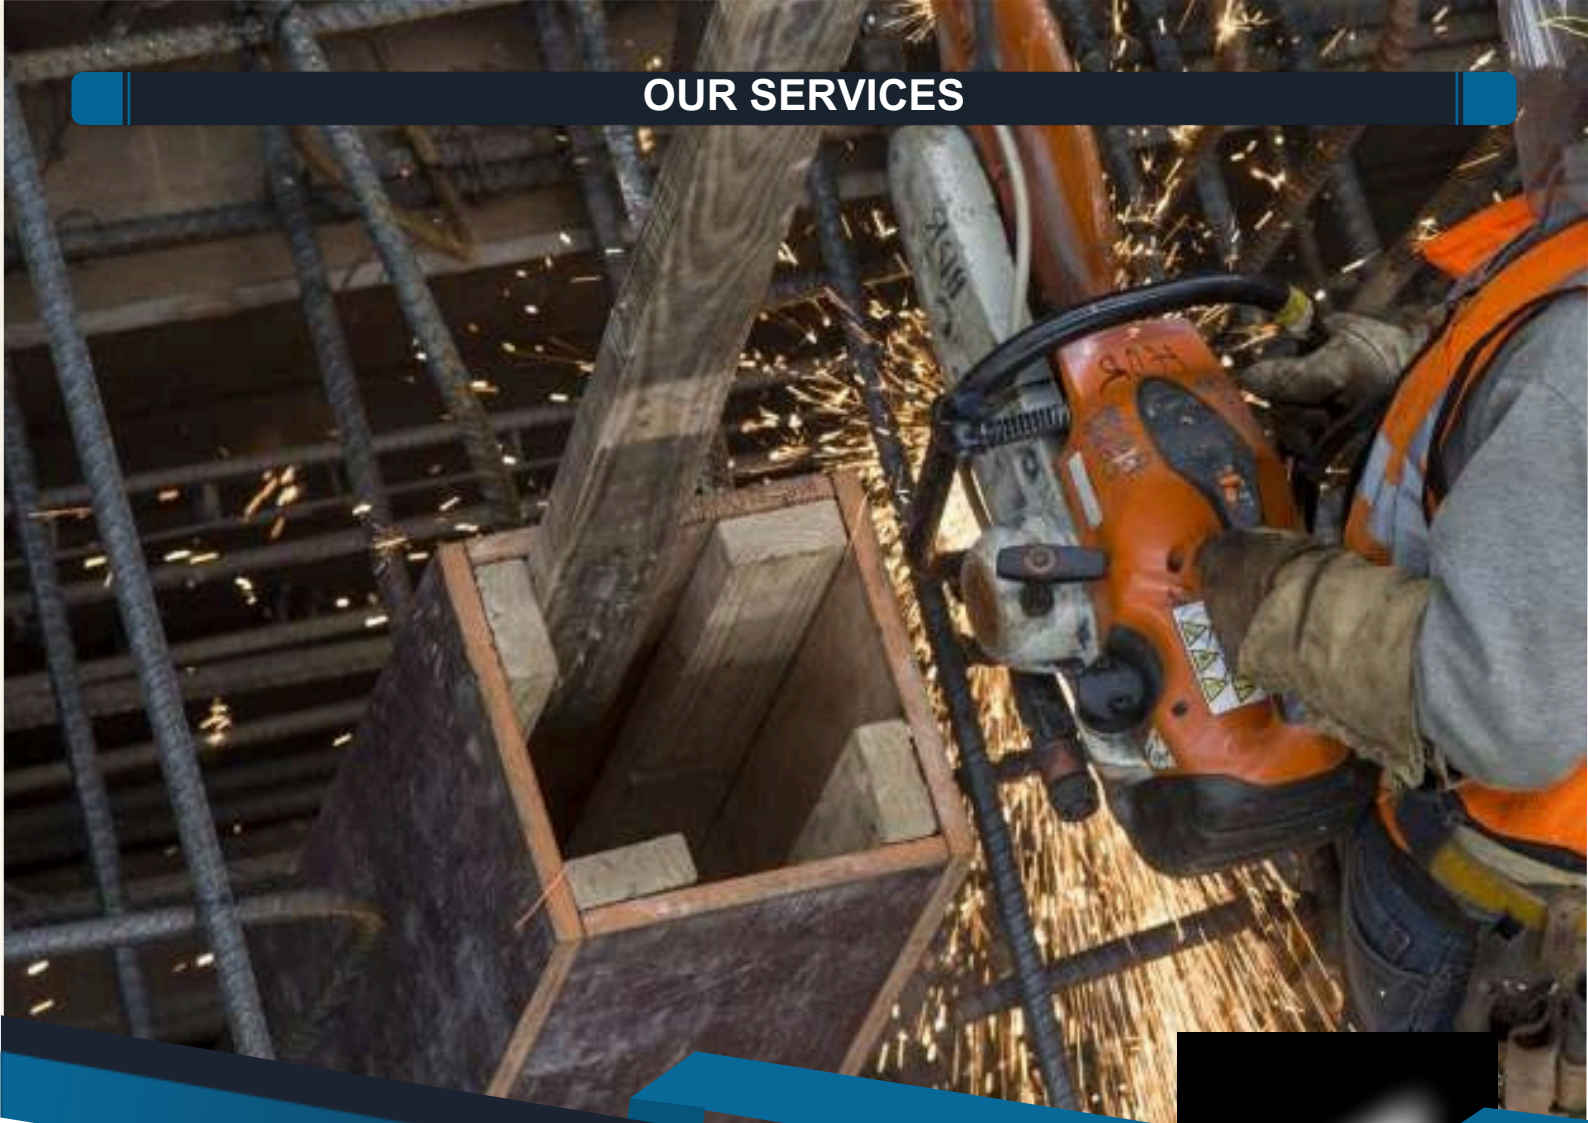

We offer open channels of communication in everything we do. When you hire us, there are no surprises, just results. We'll keep you up to date on your project, tell you about changes, and ensure you are always informed.

STRATEGIC DIRECTION

Sallianz Trading Limited will be guided by its vision and mission statements in order to address various identified strategic issues. In addition, these statements will provide a reference point and focus for the company in its planning and implementation activities to the satisfaction of its clients.

WE ARE DEDICATED

Sallianz Trading Limited has an in-house team of skilled human resource as well as a fairly wide network of professional affiliates to manage unique projects. The company takes pride in assisting clients, technically, at planning to implementation and throughout project life stages of their proposed works and products. The company also recommends associate companies to collaborate with when need

HEAVY EQUIPMENT REPAIR AND MAINTENANCE

Our Heavy machine Maintenance unit has an expertise in mobile equipment and fixed plant equipment of mining industries around the globe. View our full range of services. We're mechanical and hydraulic experts and provide tooling, people, expertise and end-to-end solutions to keep your equipment running 24/7 all over the world. Sallianz is the go-to company when you need support and solutions easily, quickly and cost-effective. Our team is able to do maintenance, troubleshooting, and restoration of large and robust machinery commonly used in construction, mining, agriculture, and other industries. This category of equipment includes vehicles and machinery with substantial size, weight, and complexity, such as bulldozers, excavators, cranes, loaders, and similar apparatus. These are some of the equipment brands we deal with, CATERPILLAR, KOMATSU, HOWO, JAC, SHACKMAN, VOLVO, FOTON, XCMG and main others.

SOLAR POWER INSTALLATION & MAINTENANCE

Solar power is quickly becoming known as the best energy solution that we have for saving our planet. Solar energy has a plethora of benefits since it is derived from the sun's radiation, which is a very powerful energy source. The best way to harness the power of the sun's power is by installing solar panels for homes and businesses and at Sallianz we offer alternative energy solutions using Solar

Our Solution at Sallianz aims at providing electricity that is generated using solar energy, for sustainable, affordable, reliable, convenient and environmentally friendly options for household and industrial use. This solution also aims at curbing global warming and other effects of climate change currently being experienced the world over, our solar systems will enable industries to run without being interrupted by power cuts this will increase the country's GDP, and eradicate poverty and unemployment. Our systems rely heavily on the availability of sunshine, the ability of our batteries to store energy and the ability of our solar panels to tap solar energy even when it is cloudy or raining. The products that we assemble and distribute work well in any environment giving consumers the best alternative as compared to hydro or fossil generated electricity. At Sallianz, we are able to supply the following items required for a solar system;

1. Photovoltaic (PV) panel
2. Inverter
3. Batteries-Both Gel and Lithium
4. Charge controller
5. System balancing component
6. Many more

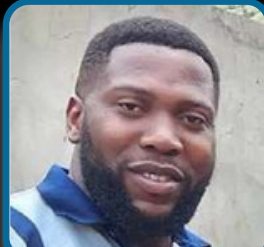

INDUSTRIAL CHEMICALS & EQUIPMENT

Sallianz Trading Ltd distributes raw materials in the industrial chemicals segment, with products that include Acids, Bases and solvents for various markets and industrial sectors.

SAFETY

QUALITY POLICY

- u We have experienced and trained personnel who perform their functions and duties to the highest degree.
- u We have the latest equipment required in our field, which is kept well maintained and suitably qualified and experienced operators to match.
- u All work is fully supervised and our staffs have been given the authority and responsibility for ensuring that the requirements of quality service are implemented and maintained. Inspired Civils & Suppliers Limited Quality

Policy is aimed at achieving the following objectives:

1. To effect the best possible workmanship using the best products offered by our suppliers.
2. To provide prospective customers with a high level of confidence and maintain that confidence by satisfying the customer's requirements.
3. To increase quality consciousness and workmanship in all company personnel.
4. To ensure that a contract is carried out within the agreed time scale.
5. Through realizing these objectives we are confident that we will improve our productivity and thus increase our profits.

SAFETY STARDARDS

In accordance with the regulations and the safety and quality standards stipulated in with the ISO 9001 management system Inspired Civils & Suppliers Limited upholds all the safety measures required. Our safety package is as follows:-

- u All workers before taken to the site are oriented and inducted about the mining industry.
- u We ensure that all workers have proper Protective Equipment before commencement of any works.
- u An engineer pertaining to his specialty is always on site to give extra information and support.
- u All equipment and machinery being used on site are all environmental friendly, vices such as smoking, and emission of other harmful substances is highly monitored and controlled.
- u Qualified persons are assigned to specific duties according to their qualifications
- u Shelton adheres to all the safety precautions tabulated by the client/customer.

RISK ASSESSMENT POLICY

Sallianz Trading Limited is committed to maintaining a workplace in which safety is part of everything we do and is as important as anything we do. It is our policy that all work activities are assessed in order to identify existing and potential risks to the health or safety of Infra Works employees, subcontractors, and/or the public, and that reasonably practicable measures will be taken to eliminate, reduce or control those risks by way of a Job Risk Assessment (JRA).

It is Infra Works's Policy to adhere to the following:

- u Conduct written risk assessment of the work site prior to commencement of a new project to identify existing or potential hazards. The risk assessment will then be done on a daily basis.
- u Where reasonably practicable, Management will involve affected workers in the performance of the risk assessment and in the control and elimination of those hazards identified by the risk assessment.
- u Management will ensure that the results of the risk assessment are communicated to those workers affected by its findings.
- u Management will ensure that the risk assessment is performed prior to commencement of work on a new job-site:
 - Weekly and/or at intervals that is reasonable and practicable to prevent the development of unsafe working practices and conditions
 - When a new work procedure is introduced or any conditions to the task; and
 - When a work procedure or operation changes
 - During daily review at tool-box meetings.

All employees, including management and supervisors, are responsible and accountable for the company's overall safety initiatives, following all procedures, working safely, and providing information towards improving all safety measures. Complete and active participation by everyone, every day, in every job is necessary to achieve the safety excellence that Crown Utilities expects.

Please Note: Action to eliminate or reduce the risk identified must be planned in advance or undertaken immediately on site to prevent any accident, injury or loss.

QUALITY ASSURANCE POLICY

Since its formation the company has been committed to the pursuit of quality within the Construction Industry. The creation of a clean and happy environment both on site and in the office subscribes to this philosophy. Objects of courteous and obliging service carried out in an efficient and professional manner embraces the nucleus of the company.

The Company Directors take an active part in the management and day to day supervision of all projects.

A competitive spirit is observed in all dealings with potential clients with regard and observance of the Trade Practice Act. Sallianz Trading Limited follow all award and trade agreements related to the Construction Industry and may from time to time vary these, provided they are in addition to award requirements and adhere to all other statutory requirements associated with business, common law requirements and the principle of established good practice.

It is the objective of Sallianz Trading Limited to deliver works and services in compliance with the requirements of our clients.

To this end Sallianz Trading Limited has total commitment to the implementation and maintenance of a Quality System that fulfils the requirements of the National Council for Construction of Zambia and Engineering Council of Zambia. Quality is the responsibility of every employee at Sallianz Trading Limited. To assist all employees in this organisation, the management shall ensure that employees are clearly briefed as to their responsibilities and that suitably qualified personnel are provided with adequate resources and training to maintain the required quality standards.

TECHNICAL STAFF AND WELFARE

All works are carried out by qualified and competent staff so as to meet the expectations of clients by adhering to the specifications and regulations recommended by regulatory bodies in execution of assignments. The project managers and works supervisors carry out regular quality control checks during, and after completion of a specific work program.

MEMBERSHIPS & CERTIFICATIONS

Reference : 1024100217677

Dear Sir/Madam

RE: Notice of Turnover Tax Account Registration.

This serves to notify you that in accordance with the Income Tax Act Section 64A (2) you have been registered for Income Tax as an entity or person whose turnover is K800,000 or less in a charge year.

You are required to quote your account name and Taxpayer Identification Number (TPIN) in all your Turnover Tax correspondence and returns. You will also be required to remit Turnover Tax @ 4% of your gross income per month.

Your effective date of registration is 8 February , 2024

Returns should be lodged by the fourteenth (14th) day of the following month. Failure to submit returns and pay tax within the stated time period will result in late penalties and interest on the amount outstanding. If there is no business in any month, a nil return must be submitted without fail by the due date.

Please be reminded that should your turnover exceed K800,000 in a year, the Commissioner General must immediately be informed of this change.

Yours Faithfully,

JOSEPH NONDE
Commissioner Domestic Taxes
