ABOUT US

INTRODUCTION

Entebbe Capital Holding Limited was officially incorporated on November 20th, 2023, as a private company within the Republic of Zambia. Functioning as a dynamic and versatile multi-disciplined company, we have positioned ourselves to address the burgeoning and diverse needs in the region. Committed to excellence and innovation, we have become a key player in facilitating progress across various industries, focusing on building & Construction, Scrap Metal, Hiring out mining equipments and General supply of goods solutions.

Operating as an independent distributor of surface and underground mining supplies and solutions, Entebbe Capital Holding Limited also serves as a general trading and contracting company, offering an extensive range of products and services. These include the general supply of building materials, electronic components, office equipment and accessories, air conditioning systems, sports and recreational equipment, as well as cleaning equipment and supplies. Our scope further extends to commercial, military, and private vehicles, reflecting our dedication to meeting diverse needs.

Consider us your ultimate destination for all your supply requirements. Whether you're a business owner, contractor, or individual seeking high-quality products and services, we've got you covered. With a wide range of supplies and an unwavering commitment to excellence, we stand ready to provide top-notch solutions that not only meet but exceed your expectations. Explore the convenience of shopping with us and enjoy unparalleled customer service that sets us apart. Become part of our growing community of satisfied customers, and allow us to be your trusted partner for all your needs.

OUR MISSION

To strengthen communities and industries through the provision of superior goods, efficient services, and the promotion of sustainable solutions in construction and mining sector.

OUR VISION

To be the best supplier of quality products and services beyond customer expectations

OUR CORE VALUES

Communication: We know where we fit in the value stream and over-communicate to make sure we are a seamless part of our customers' value proposition.

Ingenuity: We like a challenge. It's how we take our business to the next level. It keeps us thinking about new ways to meet changing customer needs. We combine experience with imagination to understand and solve customer problems.

Integrity: We conduct business with honesty and operate in good faith without exception.

People: we are committed to maintaining a culture of personal and professional growth.

ABOUT US

In the course of your meticulous procurement evaluation, where the consideration of multiple suppliers is inherent, we earnestly aim for Entebbe Capital Holding Limited to emerge as your preferred choice. Choosing us translates to gaining access to a selection of durable, high-quality products and services, all at a considerably lower cost. Our commitment to providing affordable solutions encompasses a diverse range of products, ensuring that we tailor our offerings to precisely meet your preferences and requirements.

At Entebbe Capital Holding Limited, we take pride in our highly adaptable approach, specifically designed to align seamlessly with your budget constraints. Whether your venture is expansive or more modest in scale, rest assured that we are prepared to offer unwavering support. Our commitment to customer satisfaction is underlined by our readiness to cater to the unique needs of your operation. To aid you in making an informed decision, we present six key reasons why Entebbe Capital Holding Limited stands out as the optimal choice for your diverse supply needs.

Wide Product Range

Choose us for a diverse selection of quality mining products and services, offering you a comprehensive one-stop solution for all your needs.

Quality

We take great pride in the quality of the products and services that we offer. We source only from certified, reliable and efficient supplier or manufacturer.

Realistic

Some suppliers will offer unrealistic delivery times simply to get your business. We'll give you an accurate delivery time and will track your order from initial confirmation through to delivery.

Years Experience

- Layouts
- Circuit Design
- Electrical Installation
- Domestic and Industrial
- Fault Finding
- Maintenance and Servicing
- Solar and Backup Installation

Waste Management

We provide resource recovery and recycling services for ferrous and non-ferrous scrap commodities to both domestic and international consumers including used oil, waste grease, scrap metal ,hazardous waste. The company offers steel mill services, demolition services, dismantling services and processing services to industrial scrap generators and demolition contractors.

We are committed to protecting the Environment. The issues that face us all are maintaining the air we breathe, the water we drink and the soil we live and grow on so that they are suitable to sustain an acceptable quality of life. The uncontrolled discharge of some materials above certain levels presents a threat to human health and the environment. While there is little we can do to prevent natural occurrences, there is a great deal we can do to prevent or reduce the impact of those events caused by man. We are proud to admit that our company plays a vital role in saving energy, reducing air emissions,

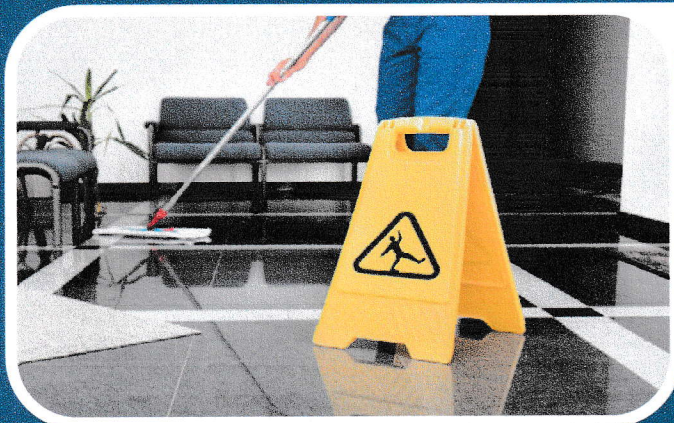

water pollution, water usage and mining waste generation through the recycling process. We are committed in establishing responsible and environmentally safe operating procedures and practices through compliance with all applicable local, state and federal environmental laws and regulations.

HIRING OUT MINING EQUIPMENT

providing top-of-the-line mining equipment rental services. With a wide range of machinery available, including bulldozers, excavators, TLBs, and front-end loaders, we cater to the diverse needs of the mining industry. Our equipment is meticulously maintained and regularly serviced to ensure optimal performance and safety on every job site. Whether you're embarking on a large-scale mining project or need specialized equipment for a short-term operation, we have the right tools to meet your requirements.

At our company, we understand the unique challenges and demands of the mining sector. That's why we prioritize reliability, efficiency, and customer satisfaction in everything we do. With years of experience in the industry, we have built a reputation for delivering high-quality equipment rental solutions tailored to our clients' needs. Partner with us for your next mining project, and experience the difference that our expertise and dedication can make in maximizing your operational efficiency and success.
